Copyright Agreement – Proceedings of EuroSun 2006

Paper EuroSun 2006 Reference No. _____

Title _____

Authors _____

Corresponding Author/Representative _____

Company / Organisation _____

Copyright for the Proceedings

This document certifies that the Solar Energy Society (UK-ISES) and the Organising Committee of EuroSun 2006 own the right to print, publish and reproduce, in whole or in part in any media including the internet, the above given paper in written, electronic or any other form as part of the Proceedings of EuroSun 2006. No compensation shall be claimed for such publication. Beyond this agreement, the authors own all other proprietary rights and retain a perpetual, non-exclusive copyright for publication elsewhere.

The undersigning warrants that the paper is an original work of the author(s) and has not been published before. The paper will not in any way violate or infringe any rights of third parties and contains no material of an obscene, defamatory or libellous nature. If excerpts from other works held in copyright are reproduced, the author(s) has (have) obtained the necessary permission from the appropriate copyright holders.

If the paper was prepared jointly with other authors, the undersigning author has informed the co-authors of the terms of this agreement and is signing on their behalf representing that he/she is authorised to do so.

Authorised Signature _____ Date _____

Please return the signed agreement together with your manuscript before 1st May 2006.
